

Little Sister

The Runaways

Little sister, on your rollerskates
It's Friday nite an' you got a date
Right in front of the Watergate
But now he's gone 'cause you're too late
It's too late to be a kid in love
It's too late to be a kid in love
We're the kids in hate
Little sister, you're sure lookin' great
You hope someday you'll be playmate
Well, why did you wait?
Your chance is gone an' now you're too late
It's too late to be a kid in love
It's too late to be a kid in love
We're the kids in hate
Little sister, don't you be so straight
Let your old folks call ya jail-bait
This mean world it belongs to us
It can be yours so don't hesitate, c'mon
It's too late to be a kid in love
It's too late to be a kid in love
We're the kids in hate
