

# I Ran (So Far Away) [Die Krupps Remix]

## A Flock of Seagulls

I walk along the avenue  
I never thought I'd meet a girl like you  
Meet a girl like you With auburn hair and tawny eyes  
The kind of eyes that hypnotize me through  
You hypnotize me through And I ran  
I ran so far away  
I just ran  
I ran all night and day  
I couldn't get away A cloud appears above your head  
A beam of light comes shining down on you  
Shining down on you The cloud is moving nearer still  
Aurora Borealis comes in view  
Aurora comes in view And I ran  
I ran so far away  
I just ran  
I ran all night and day  
I couldn't get away Reached out a hand to touch your face  
You're slowly disappearing from my view  
Disappearing from my view Reached out a hand to try again  
I'm floating in a beam of light with you  
A beam of light with you And I ran  
I ran so far away  
I just ran  
I ran all night and day And I ran  
I ran so far away  
I just ran  
I ran all night and day
