

# But I Want To

[Cyndi Thomson](#)

You don't know me but I'm the girl who lives downstairs  
Apartment two fourteen the girl with long brown hair  
I know you've seen me 'cause I've seen you but we've never spoken I haven't met you but I want to  
I haven't kissed you but I need to  
I don't know you but I want to, yeah I want to Please forgive me I know this is kind of strange  
To stop you here out of the blue asking your name  
But I couldn't let another day go by being strangers I haven't met you but I want to  
I haven't kissed you but I need to  
I don't know you but I want to, yeah I want to  
Yeah I'd love to get to know you better  
Maybe we could get together sometime, oh anytime at all I haven't met you but I want to  
I haven't kissed you but I need to  
I don't know you but I want to  
Yeah I want to, I want you I haven't met you but I want to  
I haven't kissed you but I need to  
I don't know you but I want to  
Yeah I want to, oh I want to
