Tell The Man

Creepoid

You always found a way to pull down...
Drowning in the blue light.
Selling the scenery just right.
Swallow the dream - it's real, believe.
I know you saw.
I know it's wrong.
Smother the scene, down low.
Swallow the scenery - it's real, don't believe.
Tell the man I'm here.
Tell him my name.
Grope at the sunlight like it's night.
Say my name.
Drown in the blue.
