Body Control

Leighton Meester

Gimme music, now I need it
Gotta loose it, wanna move it
Faster, louder, keep it going all night
I can take you to the limit
Move it how I like
Bodies poppin' never stopping
Feelin' free like I'm alive
I become a wild thing (yeah uhu) i know that
I become a wild thing (yeah uhu) so what?
This music makes my heart sing (yeah uhu) you know that
I become a wild thing (oh oh oh)I know you see me with my body moving out of control
I know you see me, don't you know that I got body control
This beats electric baby, shockin me right down to my soul
I know you see me I got b-b-body control
(I got body control, I-I I said I got body control)I can move my body, body
You know I like to party
Tell the DJ girls are ready leave that beat to drop
I can take it to the limit move it how I like
Bodies poppin' never stopping
Feelin' free like I'm alive
I become a wild thing (yeah uhu) i know that
I become a wild thing (yeah uhu) so what?
This music makes my heart sing (yeah uhu) you know that
I become a wild thing (oh oh oh)I know you see me with my body moving out of control
I know you see me, don't you know that I got body control
This beats electric baby, shockin me right down to my soul
I know you see me I got b-b-body control (2x)
(I got body control, I-I I said I got body control)Give me a minute
I'm on a mission so listen
I got the fire, I'm wild
I never tired, don't stop
No I never slow down whether you like it or not
I'm gonna shut down the spot
I'm taking over the topI know you see me with my body moving out of control
I know you see me, don't you know that I got body control
This beats electric baby, shockin me right down to my soul
I know you see me I got b-b-body control (2X)
(I got body control, I-I I said I got body control)
