

# In the Kingdom of the Blind the One-Eyed Are Kings

## Dead Can Dance

If it were within, within our power  
Beyond the reach of slavish pride  
To no longer harbor grievances  
Behind the mask's opportunists facade We could welcome the responsibility  
Like a long lost friend  
And re-establish laughter  
In the dolls house once again For time has imprisoned us  
In the order of our years  
In the discipline of our ways  
And in the passing of momentary stillness We can see our chaos in motion  
Our chaos in motion  
We can see our chaos in motion  
View our chaos in motion
