Never Work

Luke Haines

Never work again
La travail jamais, call a general strike in May
I invented a century today
I rest my case, I demand the right toLa travail jamais, Saint Germain des Pres
La travail jamais, Saint Germain des PresNever work in May
Or in the summer time, we'll call a general strike
For the right to never work
I rest today, I'll leave the century today
La travail jamais, I'm the Saint Germain des Pres
Ma travail jamais, Saint-Germain-des-Pres(Never work)
Because we're bone idle
(Never work)
Or just can't be bothered
(Never work)
Was I born with a silver
(Never work)
Spoon in my mouth?Drift through the cities
Scorch the earth
Follow the letterLa tremai
Ma travail jamais, Saint Germain des Pres
La travail jamais, Saint Germain des Pres
Just say no
Just say noJust say no
Just say no
And don't you ever work
