

The Things We Did and Didn't Do

The Magnetic Fields

All the things I knew I didn't know and didn't want to know
that you told me just to tell me later that you'd told me so
come flooding back to me now Come on Come flooding back to me now
All the things you said you'd never say and you said anyway
The things we did and didn't do The things we did and didn't do
come flooding back to me now
