Hasn't Hit Me Yet

Blue Rodeo

You say that you're leaving
Well, that comes as no surprise
Still I kinda like this feelin'
Of being left behindThis ain't nothing new to me
Well, it's just like goin' home
It's kinda like those sunsets
That leave you feelin' so stonedHey, hey, I guess it hasn't hit me yet
I fell through this crack and I kinda lost my head
I stand transfixed before this street light
Watching the snow fall on this cold December nightNever thought this could happen
But somehow the feeling is gone
You got sick of the patterns
And I got lost in this songHey, hey, I guess it hasn't hit me yet
I fell through this crack and I kinda lost my head
I stand transfixed before this street light
Watching the snow fall on this cold December nightHey, hey, I guess it hasn't hit me yet
I fell through this crack and I kinda lost my head
I stand transfixed before this street light
Watching the snow fall on this cold December nightAnd out in the middle of the lake Ontario
The same snow is falling
On the deep silent water
The great dark wonderInto the waves of my heart
Into the waves of my heart
Of my heart
