

# Sail On (Demo with Ralf Scheepers)

## Gamma Ray

I see your picture, laughter from yesterday  
Silence all around me, except the voice from the TV  
And I still can't believe it's over  
But time will heal all wounds I know We sail on to dreamland  
We'll meet there one day  
We share our feelings  
We'll be okay Staring out the windows, dreaming of the past  
The good times and the bad times, they are here to last  
And I hope it's getting better  
'Cause time will heal all wounds, I know We sail on to dreamland  
We'll meet there one day  
We share our feelings  
We'll be okay one day
