

# Cockiness (Hedspin & Grandtheft Remix)

Rihanna

Suck my cockiness  
Lick my persuasion  
Eat my words and then  
Swallow your pride down, down Place my wants and needs  
Over your resistance  
And then you come around  
You come around  
You come around I want you to be my sex slave  
Anything that I desire  
Be one with my feminine  
Set my whole body on fire Fair maiden Rihanna gate  
Taking over your empire  
She may be the queen of hearts  
But I'mma be the queen of your body parts No one can do you  
The way that I do  
Boy I want  
(You)  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it Suck my cockiness  
Lick my persuasion  
Eat my words and then  
Swallow your pride down, down Place my wants and needs  
Over your resistance  
And then you come around  
You come around

You come around I can be your dominatrix  
Just submit to my every order  
Enter my diamond matrix  
Devour my golden flower Make me your priority  
There's nothing above my pleasure  
She may be the queen of hearts  
But I'mma be the queen of your body parts No one can do you  
The way that I do  
Boy I want  
(You)  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it Homie don't beat it like a bullet  
Beat my drum drum  
Like a drum line boogie  
(I love it when you)  
Dive head first if you wanna  
Sink to my body  
Hold me tight mister lover  
(I love it when you)  
Do it like I do it  
Like I said  
Keep it up, boy  
We can do this all day  
Be my Harlem  
And my St. Tropez  
Never found nobody  
That will do it this way No one can do you  
The way that I do  
Boy I want  
(You)  
I love it, I love it

I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it
