Closer To Closure

Christy Carlson Romano

The more I wait the less I see your face
The more I try to leave it behind don't ease the pain
I let go It fades away
There's only time keep it inside
And don't let it show
I don't know where I'm going but I will get there
I keep on rolling, rolling so I don't fall apart
Just one more day I'll be far away
Getting closer to closure
No one can tell I gave away myself
Cause here I come you've never won in my rebel ell
I don't know where I'm going but I will get there
I keep on rolling, rolling so I don't fall apart
Just one more day I'll be far away
Getting closer to closure

How could you do it baby
How did we get here
I know your sorry, sorry
I let you break my heart
No words to say
I'm on my way
Getting closer to closure
I'm getting closer I see it
The safe return
Of all my dreams
I have to crash and burn
Help me
I don't know where I'm going but I will get there
I keep on rolling, rolling so I don't fall apart
Just one more day I'll be far away
Getting closer to closure
Getting closer and closer
