Warner Bros.

Don't give me that sucker-fish shit  
Your love life ain't that hurting  
And you always seemed to get what you  
    Wanted without flirting  
    You're not the only one  
    Who's used to playing dirty  
    And all I ever wanted from you  
        Is to leave me alone  
So don't give me that sucker-fish shit  
'Cause I'm not that strong a swimmer  
    But I'm not afraid to be moving  
        In a slower river  
        You're not the only one  
    Who used to watch Speed Racer  
        The very first car  
        In a race around the world  
        Is somewhere in the middle  
        Of a race around the circle  
        And the very first car  
        In a race around the world  
    Has got to wipe out somewhere  
        But that somewhere isn't me  
So don't give me that sucker-fish shit  
'Cause I'm not getting younger  
    And I'm not a floatable  
    To keep you from going under  
        And you're not the only one  
    Who used to watch Speed Racer  
        The very first car  
        In a race around the world  
        Is somewhere in the middle  
        Of a race around the circle  
        And the very first car  
        In a race around the world  
    Has got to wipe out somewhere  
        But that somewhere isn't me
