

# Haul Away Joe

## Port Isaac's Fisherman's Friends

When I was just a lil' lad, or so me mammy told me  
Away-haul-away, well-haul-away-joe  
That if I didnt kiss the girls, me lips would go all mouldy  
Away-haul-away, well-haul-away-joe[Chorus]  
Away! Haul! Well-haul-away-together  
Away-haul-away, well-haul-away-joe  
Away! Haul! All-Away-well-haul-for better weather  
Away-haul-away, well-haul-away-joeKing Louis was the king of France, before the revolu-ti-on  
Away-haul-away, well-haul-away-joe  
But then he got his head cut off and spoiled his constitu-ti-on  
Away-haul-away, well-haul-away-joe[Chorus]Oh once I had an Irish girl, but she got fat and lazy  
Away-haul-away, well-haul-away-joe  
And now I have a Cornish and gee she drives me crazy  
Away-haul-away, well-haul-away-joe[Chorus]Eh cant you see? The black clouds arising  
Away-haul-away, well-haul-away-joe  
Eh cant see? The storm clouds are gathering  
Away-haul-away, well-haul-away-joe[Chorus]
