

Christmas the Whole Year Round

Sabrina Carpenter

Let's make the whole year Christmas
No reason to forget this
Feeling, we're feeling it now
We gotta keep it going all year round
Let's keep the sleigh bells ringing
We'll keep the whole world singing
Feels so good, what's done now?

Let's make Christmas the whole year round I don't care if snow stops falling down
Santa's come and gone, yeah he's left town
I don't need a Christmas tree
Mistletoe or red and green
All I need is you next to me

To make every night Christmas eve Let's make the whole year Christmas
No reason to forget this
Feeling, we're feeling it now
We gotta keep it going all year round
Let's keep the sleigh bells ringing
We'll keep the whole world singing
Feels so good, what's done now?

Let's make Christmas the whole year round When all those pretty lights have been put away
And old Rudolph has gone on holiday
Oh, we'll keep that fire burning
Though the calendar is turning
Why stop at one, hey we're full

When we can have 364 more Let's make the whole year Christmas
No reason to forget this
Feeling, we're feeling it now
We gotta keep it going all year round
Let's keep the sleigh bells ringing
We'll keep the whole world singing
Feels so good, what's done now?

Let's make Christmas the whole year round I don't need a Christmas tree
Mistletoe or red and green
All I need is you next to me

To make every night Christmas eve Let's make the whole year Christmas
No reason to forget this
Feeling, we're feeling it now
We gotta keep it going all year round
Let's keep the sleigh bells ringing

We'll keep the whole world singing
Feels so good, what's done now?
Let's make Christmas the whole year
Make Christmas the whole year
Let's make Christmas the whole year round
Let's make Christmas the whole year round
