Dreamboat 730

Ringside

I think I need my head checked and painted black
I want to forget where I'm at
Under the table, spinning in my cradle
Blue face and lonely jeans
I cannot be sure what I've seen
I think she was an angel, but oh, her love was painful
Thank you for the life you gave me
Cut me with your knife and save me
Up for much better waves, all good children come and play
Sinners stay at home
Think about the evil done
In bed so early, dreamboat 730
Come aboard, let's go dreaming
No one's gonna love you like we love you
We understand you've been mistreated
Been kicked around, we'll get even
I think I need my spine cracked, break my back
C'mon baby, take me back, pinch me, lynch me
Hang me from Ol' Hickory
Sing your songs of peace and love
C'mon baby, beat me up, oh, now don't worry
I like it when you hurt me
Gonna kick your home
Come aboard, let's go dreaming
No one's gonna love you like we love you
We understand you've been mistreated
Been kicked around, we'll get even
Gonna kick your home
Take me home
