

# Strange Love (feat. Hilde Louise Asbj rnsen)

## Koop

Strange love, even though you hurt me I feel blessed love  
Baby I'm your puppet on a string  
Making me tumble and swing  
Trouble's what you bring  
Strange love, strange love Strange how, you control my every little move now  
Hanging from your strings is all I know  
Starring in your puppet show  
Never let me go, strange love All the things you've said and done  
There's no space for me to run  
Baby I've lost and you have won  
'Cause' all I really want is Strange love, even though you hurt me I feel blessed love  
Baby I'm your puppet on a string  
Making me tumble and swing  
Trouble's what you bring, strange love  
Strange love, strange love
