

Squeezin' The Love Outta You

Carolyn Dawn Johnson

I'm not gonna beg you for a little kiss
Love ain't gonna last very long like this
You expect me to make the first move
And even then you never get in the groove
You don't worry about it, but honey I do
You think a little goes a long way
I've had a little more than I can take Well I'm through squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through, squeezing the love out of you
Oh yeah You must think that I got all the time in the world
I can tell you right now, boy, you've got the wrong girl
I've waited long enough for you to act like you are in love
Guess it's finally come down to giving up
I spent too much time holding on tight
With both of my hands and all of my might Well I'm through squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through, squeezing the love out of you Well I'm through squeezing the love out of you
It's like trying to get water from a desert dune
Baby if this is the best you can do
I'm through, squeezing the love out of you It's like trying to get toothpaste out of an empty tube
Trying to find a blizzard down in Baton Rouge
You're love is slower than honey drippin' from a spoon
I'm through squeezing the love out of you
I'm through squeezing the love out of you
I'm through
