

# Already in Love (feat. Shawn Stockman)

## Tank

One look at you  
I knew i need it  
I could be true  
I know i see it  
Wanna be down  
When do i'm feeling  
I'm ready now  
When do we begin? I could be your soldier, girl  
Be your king and rule our world  
Try me so u know it's real  
I'm already sure about you  
In the way i feel You'll have shelters in my arms  
Always feel beautiful in my arms  
What do you know matter how far  
My heart wants to love you for life  
I'm already in love  
I'm already in love with you Soon as we touch  
I know you feelin  
Hell of a high  
Can't nothin kill it  
Not in a rush  
I planned on see you  
We should do time  
That's all I'm saying I could be your soldier, girl  
Be your king and rule our world  
Try me so u know it's real  
I'm already sure about you  
In the way i feel Love your first side  
Don't it feel right?  
Like somethin we're supposed to be on  
Shit get real by a minute  
I'm doing another stand up  
Forever my girl i wanna be forever your man You'll have shelters in my arms  
Always feel beautiful in my arms  
What do you know matter how far  
My heart wants to love you for life  
I'm already in love  
I'm already in love with you
