Tempt Me, Temptation

Skylit Drive@@a

What are you waiting for?
Salvation is my name
Take me for who I am
Sit back and bite your tongue
Shut the fuck up
I beat you once before, and I'll beat you again
What of you has been the same?
You leave me drained and bound
Buried beneath until I rise above
Sing to me
You leave me drained and bound
For the last time
You turn me on
It's in the way you move
You turn me on
It's in the way you move
I am consumed by you
I'm drowning on the floor
We've done this over and over again
It's dark where I'm going
I'll wave as I descend
What of you has been the same?
You leave me drained and bound
Buried beneath until I rise above
Sing to me
You leave me drained and bound
For the last time
Drowning on the floor
And I know that this time it feels alright
What of you has been the same?
You leave me drained and bound
Buried beneath until I rise above
Sing to me
You leave me drained and bound
For the last time
And I swear to you that on day I'll be gone
This time it feels alright
And I'm turning around again
Oh I know it feels alright

And I'm turning around
It's in the way you move
Make me move
And I swear to you that one day I'll be gone
