

Dance With Me Tonight

The wonders

come on pretty baby
put your little hand in mine
things are shaking on the dance floor
everybody's feeling fine
don't waste another minute
step into the light
come on and dance with me tonight tell your momma that you're leaving
tell your daddy that we're gone
tell everyone in Philadelphia
there's a party going on
now move a little closer let me hold you tight
come on and dance with me tonight
come on come on
there's a party going on
come on come on
we'll be rocking till dawn
come on come on
let me sweep you off your feet
come on pretty baby won't you dance with me tell your momma that you're leaving
tell your daddy that we're gone
tell everyone in Philadelphia
there's a party going on
now move a little closer let me hold you tight
come on and dance with me tonight
come on pretty baby
come on come on pretty darling come on
now move a little closer
let me hold you tight
come on and dance with me tonight
