Hey Elvis

Bryan Adams

Hey, Elvis, won't cha come back home
I left a message on your code-a-phone
I tried to reach you but I cant get through
Hey, Elvis, where the hell are you?
Somebody saw you at the shopping mall
Somebody said they heard that southern draw
Hey, Elvis, is it really true
We're all waitin' for a sign from you
Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear you sing
Hey, Elvis, you're still the king
Hey, Elvis, won't cha come back soon
Nobody's rockin' in the jungle room
Come December don't know what we'll do
Be a blue Christmas without you, yeah
Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear you sing
Hey, Elvis, you're still the king
Love me tender, don't be cruel
Return to sender, stuck on you
It's now or never, suspicious minds
Hey, Elvis, aren't you lonesome tonight
Hey, Elvis, can't ya see
They need you back in Memphis, Tennessee
They're makin' records but there's nothin' new
Nobody ever done it quite like you, yeah
Everybody knows about your pink Cadillac
Everybody's wonderin' when you're comin' back
Everbody's waitin' just to hear you sing
Hey, Elvis, yeah
Everybody knows about your Lisa Marie
Everybody knows about TCB
Everybody's waitin' just to hear you sing, come on
Hey, Elvis, you're still the king
Come back in Memphis, Elvis you're still the king
