

# Here He Comes (Lover Man)

Jimi Hendrix

Jimi:

'ok, here we go. I'm gonna try it with the long beginning ok. then, then, I'm gonna do the weak start. ok"what's

it called jimi? 'Jimi:

'here he comes'

'here he comes take one'

Here he comes, I say

Here comes your lover now

Here he comes

Here comes your lover man

Aah I gotta get my head from this pillow

I gotta get outta your

No heart fellin's

Reach down baby and get my runnin' shoes

Oh yeah

Reach down baby and get my runnin' shoes

I gotta get outta here and I got no time to lose

Hey

Here he comes

Here comes your lover now

Here he comes

Here comes your lover man

I gotta get my suitcase

And get the hell outta just as fast as I can

Here he comes baby

Here he comes baby

Here he comes baby

Here he comes baby

Doo doo....
