No Lies

The S.O.S Band

Oh, I got one thing to tell ya', then you make up your mind
It's what I been tryin' to tell ya', for a long, long time
We need each other, to live in peace and harmony
Don't need a whole lot to give, 'cause love is for free
I, I got one thing to tell ya
I, ooh, I ain't tryin' to sell ya
No lies
Forget all of your troubles, for a minute or two
Just listen to what I'm sayin', 'cause I'm talkin' to you
We don't need no leader, to tell us just what's wrong
We need love in the country, so we can get strong

And I, oh, you know, I got one thing to tell ya
I, ooh, I ain't tryin' to sell ya
No lies
I, I got one thing to tell ya
I, ooh, I ain't tryin' to sell ya
No lies
I, I got one thing to tell ya
I, ooh, I ain't tryin' to sell ya
No lies
