

Here For You Now

[Lesley Roy](#)

Fall down, yeah you're falling on your knees
And you're begging me please to help you
The sound of your screaming on the ground
'Cause the demons in your head have found you I don't wanna hurt you, I just wanna fix you
I know I can make it right again
I want you to see me, I need you to feel me
That's all that I wanted in the end Hey you, take a look around, I'm beside you
I'm right here for you now
Hey you, it's hard enough to be what you want to
I'm right here for you now, right here for you now Stand back, getting closer to the edge
Just turn around and walk away now
Come back, stop putting on the act
Can't I have ya just the way that I found ya? You don't wanna hurt me, you gotta believe me
I know I can make it right again
I'll always look after, don't care that I have to
That's all that I wanted in the end Hey you, take a look around, I'm beside you
I'm right here for you now
Hey you, it's hard enough to be what you want to
I'm right here for you now, right here for you now 'Cause I remember you and how you used to be
Do you wanna waste it all for them? Hey you, take a look around, I'm beside you
I'm right here for you now
Hey you, it's hard enough to be what you want to
I'm right here for you now Hey you, take a look around, I'm beside you
I'm right here for you now
Hey you, it's hard enough to be what you want to
I'm right here for you now, right here for you now
