

# Light of the World

Jennifer Knapp

Hold me, Light of the world.  
Love me, say you love me,  
and I will be free.

Sing me a lullaby soft as you can  
I'm alright, I'm alright  
Sing me the melody strong as you can  
I'm alright, I'm alright.

Hold me, Light of the world.  
Love me, say you love me  
and I will be free.

Sing me a lullaby soft as you can  
I'm alright, I'm alright  
All that I've wanted or hoped I could dream  
I'm alright, I'm alright.

Hold me, Light of the world.  
Love me, say you love me,  
and I will be free  
I will be free
