Hate To See You Go

The Color Fred

Many are the hours I lie awake
Trash the room in vain
Try to waste the energy I'll never spend on youLying on this bed, never touch not right now
If I'm over this by morning that's a future I can't see[Chorus]
Well I'm gonna hate to see you go
But I've been impossible I know
Yeah I'm gonna hate to see you go
But I know you're just waitingOhhoh ohhoh ohhoh... ohhoh ohhohWhen you're young
You decide what you can and cannot take
Promises that you made, that you wish you wouldn't break
This was over long before we met
This was over long before we met[Chorus]
Well I'm gonna hate to see you go
But I've been impossible I know
Yeah I'm gonna hate to see you go
But I know you're just waitingOhhoh ohhoh ohhoh
See you are waiting (ohhoh ohhoh)
This was over long before we met (ohhoh ohhoh ohhoh)
See you are waiting (ohhoh ohhoh ohhohh)
This was over long before we met (ohhoh ohhoh)
See you are waiting
See you are waiting nowWell I'm gonna hate to see you go
But I've been impossible I know
I'm gonna hate to see you go but you will
Ohh you willMany are the hours I lie awake (many are the hours I lie awake)
Many are the hours I lie awakeI'm gonna hate to see you go
Ohhohh ohhohh
I'm gonna hate to see you go
Ohhohh ohhohhThis was over long before we met
This was over long before we met
This was over long before we met (ohhoh)
This was over long before we met
We met
We met
We met(This was over long before we met
This was over long before we met...)
