

Side of the Road

Big Black Delta

It's just one (one)
One is all I need
Let her swing (swing)
Then bend her knees I can look ripped as you
Love to look beautiful, love But this one (one)
Is all I ever need Just can't give you up
I just can't give you up
Just can't give you up Won't turn away
Won't feel a thing
Oh, man
Side of the road, baby Falter to see, I do believe what the soldiers say
I do believe, you silly goose
Young girl, side of the road, baby No need to wait
No need to wait
Mr. suit and tie When she's gone,
I'm crouching on my knees
It must be fun, and fun is all I need I can look ripped as you
Love to look beautiful, love Just this one (one)
Is all I ever need Just can't give you up
I just can't give you up
Just can't give you up Won't turn away
Won't feel a thing
Oh, man
Side of the road, baby Falter to see, I do believe what the soldiers say
I do believe, you silly goose
Young girl, side of the road, baby No need to wait
No need to wait
Mr. suit and tie Suit and tie
Awkward all the time
Young girl at the side dancin'
Higher than me
At the side of the road At the side of the road
At the side of the road
At the side of the road
At the side of the road
