

Of Walking Abortion

Manic Street Preachers

Life is lead weights, pendulum died
Pure or lost, spectator or crucified
Recognised truth acedia's blackest hole
Junkies winos whores the nation's moral suicide
Loser - liar - fake - phoney
No-one cares, everyone is guilty
Fucked up - don't know why - you poor little boy
We are all of walking abortions
Shalom shalom we all love our children
We all are of walking abortions
Shalom shalom there are no horizons
Mussolini hangs from a butcher's hook
Hitler reprised in the worm of your soul
Horthy's corpse screened to a million
Tisu revived, the horror of a bullfight
Fragments of uniforms, open black ruins
A moral conscience - you've no wounds to show
So wash your car in your 'X' baseball shoes
We all are of walking abortions
Shalom shalom we all love our children
We are all of walking abortions
Shalom shalom there are no horizons
