

Back to the Sea

Andrea Faustini

When you're hurt and troubled
and you can't find release
I'll turn our love to a river
guide it back to the sea

When you're broken hearted
and you've lost your belief
I'll turn our love to a river
guide us back to the sea
And I've been tired
too tired to think.

To recognize how they do you wrong
But I can see much better now
I've been so blind.

'Cause I, I can bring the mountain down again
When you're hurt and troubled
And you can't find relief
I'll turn our love to a river
guide us back to the sea.

When you're broken hearted
and you've lost your belief
I'll turn our love to a river
guide us back to the sea.
We bend too fit, another shape
When things go wrong
and they come between us
never hesitate.
We never fall
we will never break.

'Cause I, I can bring the mountain down, again
When you're hurt and troubled
And you can't find relief
I'll turn our love to a river
guide us back to the sea
And when you're broken hearted
And you've lost your belief
I'll turn our love to a river
guide us back to the sea
I'll turn our love to a river
guide us back to the sea.
Oh, that will never break us
No, no matter how hard they try.

When you're hurt and troubled
and you can't find relief
I'll turn our love to a river
guide us back to the sea.
And when you're broken hearted

And you've lost your belief
I'll turn our love to a river
guide us back to the sea
I'll turn our love to a river
guide us back to the sea
I'll turn our love to a river
guide us back to the sea.
