

# Dreamin'

[Amos Lee](#)

My soul is as open as the sky  
Often time it's just as blue  
People tell me to keep on dreamin'  
That's just what I'm, I'm gonna do  
Now everybody wanna treat me like a house fly  
Turn me around and tell me to shoo  
Wanna tell me, keep on dreaming  
That's just what I'm, I'm gonna do  
'Coz every moral has a story  
Every hand needs a glove  
Sometimes, it's for the glory  
Ah, but mostly, it's for the love  
It's the love, it's the love  
It's the love that pulls me through  
So when they tell me to keep on dreamin'  
That's just what I'm, I'm gonna  
That's just what I'm gonna do
