# Baadalon Ki Gehraaee

## Lucky Ali

Baadalon ki gahrayee mein soche kya huzoor
Unche unche chahre hain, zameen se kitne door!
Aahein bharti hain yeh thandi havaa
Aise rangeen raahon mein ab hamko kya hua

Chand se taaron ka hai,aapas ka faasla
beach mein yeh gahna hai, yeh gahna duniya
Iss duniya ko kahte majboor.
Mitadiya khud hasti ko yeh hai kiska kusoor?

Tamanna hai yahi, aise yon kabhi,
hum basaayein koi, naya jahan.
Aashnaa ho yeh dil, pyar ke kaabil,
Saaz aesi bhi ho, sune jahaan.
Musaafir ko mile raasta,
Zamane ko mile waasta.

kaise kaise parwaano ki baatein mashahoor
Jaise ye nazraane hain vaise hain ye saroor
hain yakeen dil mein,Subha aaayegi zaroor.
Mitega yeh andhera, Hoga har ek shay mein noor.
Pyar karte idhar, shay bante idhar,
Daastan-E-sifar sunoh yahan.
yeh bhi honge khafa, kya pata kya gila,
har kadam pe mile koi naya.
Musafir ko mile raasta.
Zamaane ko mile vaasta.
