# All the Evidence I Need

## 4Him

Well I've seen the news and I've heard the questions
Seems the thing to do is to keep second guessing
The One who made the earth and sky
Well I guess it's okay just to wonder whyBut I know the truth, and I know I'm certain
It's not a mystery, it's not behind a curtain
The veil was torn many years ago
And the Spirit stayed just to let us knowThat the answer is not in the stars way up high
But the answer is found in believing in ChristSo I am walking by faith and not by sight
I am trusting in invisible things
For I have felt in my heart, what I can't see with my eyes
'Cause the proof is living inside of me
I've been set free and this is all the evidence I needThere are pyramids in the land of Egypt
There are those who say, that they contain the secrets
To where we're from and why we're here
But I think God's Word makes it crystal clearThat the ancient tombs in the barren desert
Do not hold the clues, they do not hold the answers
The truth has already been revealed
For it's moving in me and I know that it's real'Cause it's not in the grave for the skeptics to see
But He lives in the hearts of the ones who believeSo I am walking by faith and not by sight
I am trusting in invisible things
For I have felt in my heart, what I can't see with my eyes
'Cause the proof is living inside of me
I've been set free and this is all the evidence I need'Cause I know Your love reaches out to me
In my weakest of days
For I've felt Your touch In my heart of hearts
Though I've never even seen Your face'Cause the proof is living inside of me
I've been set free and this is all the evidence I needSo I am walking by faith and not by sight
I am trusting in invisible things
I have felt in my heart, what I can't see with my eyes
'Cause the proof is living inside of me
I've been set free and this is all the evidence I needProof is evidence I need
I've been set free
