

Heaven

Talking Heads

Everyone is trying to get to the bar
The name of the bar, the bar is called Heaven
The band in Heaven that plays my favorite song
Play it once again, play it all night long
Heaven, Heaven is a place, place where nothing, nothing ever happens
Heaven, Heaven is a place, place where nothing, nothing ever happens
There is a party, everyone is there
Everyone will leave at exactly the same time
It's hard to imagine that nothing at all
Could be so exciting, could be so much fun
Heaven, Heaven is a place, place where nothing, nothing ever happens
Heaven, Heaven is a place, a place where nothing, nothing ever happens
When this kiss is over, it will start again
It will not be any different, it will be exactly the same
It's hard to imagine that nothing at all
Could be so exciting, could be this much fun
Heaven is a place, a place where nothing, nothing ever happens
Heaven, Heaven is a place, a place where nothing, nothing ever happens
