

# Temptation

## Showaddywaddy

You came, I was alone  
I should have known you were temptation  
You smiled, luring me on  
My heart was gone, you were temptation  
It would be thrilling  
If you were willing  
If it can never be  
Pity me for you are temptation and I am yours

Here is my heart, take it and say  
We'll never part  
I'm just a slave  
Only a slave to you, temptation  
You were born to be kissed  
I can't resist.

You are temptation and I am yours  
Here is my heart, take it and say  
We'll never part  
I'm just a slave  
Only a slave to you, temptation
