While You're Out Looking For Sugar

Joss Stone

How long can i go on amusing myself
Night after night sitting all alone
While you're in the arms of someone else
Don't you know thatWhile you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's is tryin take your honey and be gone
You just buzz, buzz, buzz here and there
Uh oh eh everywhereYou think you're the sugar oh daddy with a candy kiss oh yeah
You think about your love and baby i just can't exist mhmWhile you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's is tryin take your honey and be gone
Well how can i be faithful?
Truly, i don't know
If i find myself in the arms of someone else
Is all your faultWhile you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's is tryin take your honey and be gone
You just buzz, buzz, buzz here and there
Uh oh eh everywhereYou sneak across the floor baby with your shoes right in your hands
Well how much more do you think I can stand?While you're out looking for sugar
Somebody's gonna take your honey and be gone
While you're out looking for sugar
Somebody's is tryin take your honey and be gone
While you're out looking baby
While you're out looking baby
While you're out looking for sugar
You got some honey at home
She's all alone
While you're out looking for sugar
Somebody's gonna take your honey and gone
While you're out looking for sugar
Somebody's is tryin take your honey and be gone
Gone, gone, gone, gone, gone
Take it right
