Here We Go Again

Thompson Square

Whoa oh oh oh
Whoa oh oh oh oh oh
Whoa oh oh oh oh oh (whoa oh oh oh)Should've known, should've known you'd be here
Wearing that white t-shirt
The one I wore after we made love
The first timeShould've known that song, our song would play
And you look my way
I walk your way, you'd reel me in
Like the first timeHere we go, here we go, go again
Like we never said goodbye
Wonder why we even try
'Cause you and I just can't be just friends
Here we go, here we go, go again
Falling right back in
Always falling right back in
And here we go againWhoa oh oh oh (whoa oh oh oh)Tangled up, tangled up, twisted up sheets
The two of us, two of us back in love
You know you and you know me
And we both know where this won't leadHere we go, here we go, go again
Like we never said goodbye
Wonder why we even try
'Cause you and I just can't be just friends
Here we go, here we go, go again
Falling right back in (fallin' right back in)
Always falling right back in (fallin' right back in)
And here we go againWhoa oh oh oh
Whoa oh oh oh oh oh
Whoa oh oh oh oh ohHere we go, here we go
Here we go even though
Even though we say we won't do this again
Never do this againHere we go, here we go, go again
Like we never said goodbye
Wonder why we even try
'Cause you and I just can't be just friends
Here we go, here we go, go again
Falling right back in (fallin' right back in)
Always falling right back in (fallin' right back in)
And here we go againWhoa oh oh oh
Whoa oh oh oh oh oh

Whoa oh oh oh oh oh (whoa oh oh)Should've known, should've known you'd be here
