

Hashman Blues

Apey & The Pea

I wanna' be there, for you, high on a mescaline
I never lost it, tryinâ€™ to hide all the rest again
I am a drunken stoner; I hope that we wonâ€™t leave the bed
But im a loser, chooser, high on a mescaline

I wannaâ€™ live
I wanna get so high..
I want to live
I wanna get high..

I havenâ€™t seen them, a year than, high on the mescaline
I shouldaâ€™ smoke emâ€™, and try all my best again
I ainâ€™t a chooser, loser, high in a mask again
Imâ€™ stoner-smoker, high on my mescaline
"Damn right"

I wannaâ€™ live
I wanna get so high..
I want to live
I wanna get high.. Im so fucking high..
