

# Weekend Warriors

## A Change of Pace

Weekends are for the warriors

All those late nights walkin' through front doors at daybreak

Raise all of the glasses high

This one's to all of us sittin' around here on Friday night I remember eighteen hated Mondays

And sittin' and starin' at the clock dyin' to get away

Don't look back and have no regrets

We only got two days and time won't wait for us I couldn't ask for a better place to be This can't last forever

Raise a glass together

Doesn't get much better

No better than This can't last forever

Raise a glass together

Doesn't get much better

No better than this I've been to hell and back

All the snow storms

And the bathroom stalls

Which you pulled me out of I'll be there

Like you've been there

My word's my bond

Don't stand alone, you can count on me I couldn't ask for a better place to be This can't last forever

Raise a glass together

Doesn't get much better

No better than This can't last forever

Raise a glass together

Doesn't get much better

No better than this We fight this fight to stay free

And never say, never

If you leave this choice up to me

I'll stay young forever

(Stay young) This can't last forever

Raise a glass together

Doesn't get much better

No better than This can't last forever

Raise a glass together

Doesn't get much better

No better than This can't last forever

Raise a glass together

Doesn't get much better

No better than This can't last forever

Raise a glass together

Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than this Weekends are for the warriors
