Everlasting Love

Commissioned

In this life there are many disappointments
The problems we have is there an end?
Is there an answer to the sorrow and pain?
Is there a solution? Does anyone gain?

Don't give up there is an answer
There is a love you should know
The love of God is an everlasting love
The love of God is an everlasting love

Now that you know that the Lord is so mindful
And He surely cares about your every need, yeah
And He said He's never gonna leave
Will always be there to love and comfort you

It may take some time for you to trust Him totally
It may take awhile but you will learn
The love of God is an everlasting love
The love of God is an everlasting love

I'm telling you He loves you
I'm telling you He's never gonna leave
I'm telling you He loves you
I'm telling you He thinks the world of you

A love that's true
A love that's in friendship
A love for you
The love of God is everlasting
Ooh ooh, everlasting love

He keeps on going, going, going, hey
Ooh ooh, everlasting love
Can you see, can you see the love of God?
Ooh ooh, everlasting love

[Incomprehensible], morning by morning
Brand new mercy that see
Oh everlasting love
