Silence macabre

Dark Sanctuary

[Music by Hylgaryss, Lyrics by Sombre Cr]S'vanouissant
Devant les sourdes flammes,
Le silence reprit son tr'ne...
Affirmant la tyrannie,
Retrouvant l'ataraxie...
Mais qu'apporterait le nant ?
Face cette entaille bante
Qu'est la mort...Qu'est ce que la dlivrance ?
Probablement ce prcipice
Destin propice d'un sacrifice...Tant de questions,
Tant d'hsitations...
Pour si peu de rponses,
En si peu de temps...Silence macabre...
Silence de la mort...[Translation][Gruesome silence...][Music by Hylgaryss, Lyrics by Sombre Cr]Fainting
Before the deaf flames,
Silence took back its throne...
Asserting tyranny,
Finding back ataraxia...But what would bring nothingness ?
Before this open wound
Which death is...What is deliverance ?
Probably is it this precipice,
Propitious fate for a sacrifice...So many questions,
So much hesitation...
For so few answers,
In so short a lap of time...Gruesome silence...
Silence of death...[Translated from french by Aries]
