

# The Executioner

## The Black Angels

Do whatcha should honey  
be a good girl darlin'  
cuz you'll meet the executioner one daydo whatcha should honey  
don't make mistakes darlin'  
cuz you'll meet the executioner some dayThe Executioner stands with his empty eyes,  
waterin' mouth waiting too...  
kill.if it feels good  
do it again  
a rope for your sins  
twist in the windIf it feels good  
If it feels goodThe Executioner stands with his empty eyes,  
waterin' mouth  
waiting to...  
Kill(Breakdown)The executioner feels no pain  
he couldn't care less for you  
or to whom you pray.Do what you should honey  
This is the end darlin'  
For you met the executioner todayIf it feels good  
do it again  
Twist in the wind  
Do it againIf it feels good  
if it feels good  
You do it again.
