

# I Write The Songs

## Me First and the Gimme Gimmes

I've been alive forever  
And I wrote the very first song  
I put the words and melodies together  
I am music and I write the songs[Chorus]  
I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songsMy home lies deep within you  
And I've got my own place in your soul  
Now when I look out through your eyes  
I am young again even though I'm very old[Chorus]My music makes you dance and gives you spirit to take a  
chance  
And I wrote some rock 'n' roll so you can move  
Music fills your heart and that's a real fine place to start  
It's from me, it's for you, it's from you, it's for me  
It's a worldwide symphony[Chorus]Yeah! I write the songs that make the whole world scream!  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songsI am music (music) and I write the songs  
Yeah
