

Just About You

Shawn Desman

Oh, whoa, whoa, oh, ho, whoa, yeah, yeah
This much is true, it's just about you
All my life, I've been waiting for you
Girl you don't even have a clue
Let me tell you what I mean
Since you've been on my mind
It's just about you
Diamond rings don't mean ish to me
Girl it's once a time that I wanna see you
People say that I'm crazy but I won't give it up
It ain't about the money that you make
It ain't about the ice that you be rockin'
It ain't about your house
It ain't about your car
It's about who you are
It ain't about the color of your hair
It ain't about the clothes that you wear
This much is true it's just about you
I can't help the way I feel
Let me prove that I'm for real
I can give you what you want
And everything you need
It's just about you
Tell me why you gotta look so fine
Girl your gonna make me lose my mind
I ain't trying to spit game on you
Girl this is the truth
It ain't about the money that you make
It ain't about the ice that you be rockin'
It ain't about your house
It ain't about you car
It's about who you are
It ain't about the color of your hair
It ain't about the clothes that you wear
This much is true it's just about you
Yeah, yeah, baby
You take me away to a place I've never been
And everyday I'll be there to say
House, no car, no, no hair, no, no, no, clothes
No, no, you wear, babe, no, no, no
No, no, no house, car, no, no, no, no, no, no
It ain't about the house no, no car, no hair, no, no, no
Clothes you wear, babe, no no no
(No, no, no)
And this much is true it's just about you, yeah, yeah, babe
It ain't about the money that you make
(Money that you making)
It ain't about the ice that you be rockin'
(The ice you be rockin')
It ain't about your house

It ain't about your carIt's about who you are

(It's about who you are, baby who you are)

It ain't about the color of your hair

(The color of you hair)

It ain't about the clothes you wear

(The clothes you wear)

Yay, yeah, yeah, yeah, babe

This much is true it's just about you
