

# Tin Man

## Animal Kingdom

I got no arms,  
I got no legs  
I got no shoulders, but I got a head.  
I got a head that tells me stupid things to do.  
But I got heart  
And I got hot.  
And it's slowly buring me apart,  
Cause i'll never feel same as you.  
So tell me if this love?  
Cause baby i'm a tin man!  
And tell me if it's love.  
I wanna be a real man!  
ohhh

(instrumental)

Is this love?  
Is this pain?  
I got a feelin I cannot name.  
Slowly changing every part of me.  
I know you think i'm just a toy,  
But I wanna be a real boy.  
Only boy to feel the same as you.

So tell me if this love?  
Cause baby i'm a tin man!  
Tell me if it's love.  
I wanna be a real man!  
Tell me if it's love.  
Cause baby i'm a tin man!  
Since you took my heart...  
Got a missing heart...

Got a missing heart...  
Got a missing heart...  
Got a missing heart...  
Got a missing heart...  
Got a missing heart...

I got no arms,

I got no legs  
I got no shoulders, but I got a head.  
I got a head that tells me stupid things to do.  
I cannot eat,  
I cannot sleep.  
I got a hole a hole inside of me,  
Cause i'll never feel the same as you...  
So tell me if this love?  
Cause baby i'm a tin man!  
Tell me if it's love.  
I wanna be a real man!  
Tell me if it's love.  
Cause baby i'm a tin man!  
Since you took my heart...  
Got a missing heart...

Got a missing heart...  
Got a missing heart...  
Got a missing heart...

Woah Woah

Got a missing heart...

Woah Woah

Got a missing heart...

Woah Woah

Got a missing heart...

Woah Woah oh oh oh!!!

Got a missing heart!  
Got a missing heart!
