

# Sorry Samantha

## The Nautics

Question no more all I want is you  
Our fate is a portrait the heavens drew Samantha  
The colors were grey and all my love was amiss  
Until the night I stole your kiss Samantha  
Maybe someday soon we will find our way past Hawthorne Boulevard  
And the city will fold its diamonds down before we show our cards  
Is it you is it me or baby someplace in between  
I will hold you as the train rushes by embraced in our jackets a thousand raindrops sigh  
I need you I don't know when I don't know where what I'll do  
All I know is I want you Samantha  
All I know is I need you Samantha
