

# Renegade (Live at Rock Am Ring 2013)

## Paramore

The grass wasn't green enough here  
After watering it with my tears  
I'm not sure where you went  
Now we are, just past tense  
The snakes, they are slithering in  
Chasing me to my end  
I can't say where that is  
I'm running again And, when I get there  
It won't be far enough  
I'm a renegade  
It's in my blood  
If ever I get there  
It won't be fast enough  
I'm a renegade  
I always was And, your spark never lit up a fire  
Though I tried and tried and tried  
The wind came through your lungs  
A hurricane from your tongue  
I'll keep your secrets with me  
Right behind my teeth  
Your anger, your anchor  
But I'll sail much further on  
Ah, ah, on And, when I get there  
it won't be far enough  
I'm a renegade  
It's in my blood  
If ever I get there  
It won't be fast enough  
I'm a renegade  
I always was I'll keep running  
I'll keep running again  
keep running  
I'll keep running  
running, running  
Keep running, running  
running Oh, when I get there  
it won't be far enough  
I'm a renegade  
It's in my blood

If ever I get there  
It won't be fast enough  
I'm a renegade  
It's in my blood I'm a renegade  
I always was
