

# Wind Beneath My Wings

[Michael Ball](#)

It must have been cold there in my shadow  
To never have sunlight on your face  
You've been content to let me shine  
You always walked a step behind I was the one with all the glory  
While you were the one with all the strength  
A beautiful face without a name, for so long  
A beautiful smile to hide the pain Did you ever know that you're my hero  
And everything that I'd like to be?  
And I can fly higher than an eagle  
You are the wind beneath my wings It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know, I know the truth, of course, I know it  
I would be nothing without you, oh Did you ever know that you're my hero  
And everything that I'd like to be?  
And I can fly higher than an eagle  
You are the wind beneath my wings Did you ever know that you're my hero  
You're everything, everything that I'd like to be?  
And I, oh, I can fly higher than an eagle  
'Cause you are the wind beneath my wings  
You are the wind beneath my wings You, you, you, oh thank God for you  
Wind beneath my wings
