To Me

Perry Farrell

Let the grass cool off your feet
Sip on old wine
Bake fresh bread to eat
Sing a song to me
And I'll play one for you
That comes to meHave you had a taste of honey?
Too much honey hurts your belly
When I overcome with it
Save some and give the rest to meSplash on the water
And circle the altar
(To me)
Give to your son
A quote for his daughter
(To me, to me)When overcome with it
Save some and give the rest to meHave you had a taste of honey?
Too much honey hurts your belly
When I overcome with it
Save some and give the rest to meSplash on the water
Circle the altar
Give to your son
A quote for his daughter
(To me, to me)Bite, bite, bite, bite, bite, bite your tongue
(To me)
All comes off with soap and water
(To me)
It's never too late to say never
(To me, to me)
