It's No Good

Depeche Mode

I'm gonna take my time
I have all the time in the world

To make you mine

It is written in the stars aboveThe gods decree

You'll be right here by my side

Right next to me

You can run but you cannot hideDon't say you want me

Don't say you need me

Don't say you love me

It's understoodDon't say you're happy

Out there without me

I know you can't be

'Cause it's no goodI'll be fine

I'll be waiting patiently

Till you see the signs

And come running to my open armsWhen will you realize

Do we have to wait 'til our worlds collide

Open up your eyes

You can't turn back the tideDon't say you want me

Don't say you need me

Don't say you love me

It's understoodDon't say you're happy

Out there without me

I know you can't be

'Cause it's no goodI'm going to take my time

I have all the time in the world

To make you mine

It is written in the stars aboveDon't say you want me

Don't say you need me

Don't say you love me

It's understoodDon't say you're happy

Out there without me

I know you can't be

'Cause it's no goodDon't say you want me

Don't say you need me

Don't say you love me

It's understoodDon't say you're happy

Out there without me

I know you can't be

'Cause it's no good
